

Coffee Cup™
Collector 27 GALLON

THE 'PERKS' OF SUSTAINABILITY!

Millions of coffee cups invade landfills each year; but with the new Coffee Cup Collector, these cups can now be diverted out of the waste stream. This container is ideal for coffee shops, events, retail outlets, schools and healthcare facilities. With separate compartments for coffee lids, excess liquid and flattened cups, recyclables remain sorted with tightly fitted liners efficient for both employee and user.

FEATURES:

- Oval-shaped cup compartment forces users to remove lid
- Fitted with internal liners to separate streams
- Liquid compartment fitted with grate to reduce contamination
- Custom signage options available such as: wraps, decals or in-mold graphics

Custom signage to compliment any décor
